Merchant Quest 1 (K0c10y11) M0b10y21

A man asks for your help, sounding insane. You must escort him to several places, while fighting off his enemies (daedra lords and seducers). This is probably the most difficult quest in the pack.

README.TXT

Thieves Guild Quest 2 (00b10y16)
Do some smuggling of drugs.

Witches Coven Quest 1 (Q0c10y09)
One of the witches has disappeared. You must find her.

ARTIFACT QUEST

I heard from numerous people that they wanted quests that gave artifacts. I decided that I would put one in, but I made it only apply to a single temple. If you don't want to have this quest in the game, simply don't put the .QRC or .QBN in your ARENA2 directory.

IMPORTANT!!!

I am always looking for quests to put in future packs. If you have made any cool quests, and want to get them on the web, send them to me! My address is at the bottom of the file.

Also, if you have any ideas for cool quests, send them to me and I'll see what I can do.

=====

ERRORS

If you find an error with one of the quests, TELL ME! It won't get fixed unless you notify me. I will do my best to fix the error.

And please, be specific. Saying "The Fighter's Guild quest won't work" tells me nothing. Describe the problem. For example, "I got the fighter's guild quest to kill the Vampire ancient. When I went to collect my reward, I got told I failed." This explains the problem to me, and I can fix it.

Thanks to anyone who pointed out mistakes in the first pack. I know there were some...

=====

DISTRIBUTION

If you wish to distribute these files, go ahead. Just be sure to include this TXT, and I wouldn't mind knowing (you don't HAVE to tell me, though).
